### STATEMENT BY THE CHAIRMAN OF THE BOARD

Mathira Water & Sanitation Company Ltd (Mawasco) is mandated to provide water and sanitation services to residents of Mathira Sub-County, with clear goals, stead fast spirit and support from our stakeholders. MAWASCO has made substantial progress during the last 12 years of its existence. We have always emphasized service improvement and staff team work. Together we have and we will move forward. Our Strategic Plan which include, Asset Management Plan, and Business Plan for the period 2015 to 2020 is designed to cater for the increased area of service of 320 km² with a population of 148,000 people (2009 census).

We take the challenges we are facing as opportunities to stabilize and strengthen our capacity to provide services. We are now concentrating on delivering operational excellence by continuing to provide affordable, safe and clean water and efficient and sustainable water supply system. In my opinion, the main issues which we should fully engage all our stakeholders from now onwards are:-

- i) Earmarking and protecting water sources for present and future generation of Mathira residents.
- ii) Expanding water and sewerage networks to cover the whole town of Karatina Urban Center
- iii) Safe disposal of waste water including construction of new waste stabilization ponds to meet demand.

We are now working hard to solicit funds to enable these projects to be implemented. We have earmarked projects amounting to millions of shillings in order to improve the water and sewerage services to complement the booming economic growth of Mathira. Our aim is to make significant contribution to the development of the Mathira sub county by striving to accomplish our vision and mission.

MAWASCO promises to continue making these contributions while at the same time standing behind its mandate by delivering, quality and reliable services. We extend our deepest gratitude to all stakeholders and customers and we ask for your continued support and encouragement for the activities we engage in.

MR. REUEL KIBUGI MURIUKI

**BOARD CHAIRMAN** 

### MANAGING DIRECTORS STATEMENT

Mawasco operates water and wastewater utilities. Its services include water production, treatment, and distribution; wastewater collection and treatment; customer services; and utility infrastructure construction management. After promulgation of the new constitution, the Company is now wholly under the County Government of Nyeri.

The Company's services as result of water production and distribution systems is the surface water production, water treatment and purification, meter reading, customer billing and collection, customer service and dispatch, 24-hour emergency response, water quality assurance and laboratory services, facility inspections, installation and maintenance, preventive and corrective maintenance, equipment installation, leak detection and repair of engineering services.

The services for wastewater collection and treatment systems comprise treatment plant operation and maintenance, sewer line cleaning, sewer line inspection and repair, inflow and infiltration analysis, bio-solids management, waste monitoring, compliance monitoring, and laboratory testing services.

MAWASCO has a Corporate Management Team headed by the Managing Director, Commercial Manager and Technical Manager. The Company has Administration Organization Structure headed by the Board of Directors, Managing Director and three Departments;

- a) The Technical Department headed by Technical Manager
- b) The Commercial Department headed by Commercial Manager
- c) The Human Resource and Administration Department headed Human Resources Officer.

### Recent Achievements

- 1. Extension of water supply to Gathugu through the support of County government of Nyeri.
- 2. Procurement of more computers & establishment of computer laboratory.
- 3. Laying of 42.83 km pipeline for water supply in various target of operation.
- 4. Disilting and expansion of Ihwagi intake weir,
- 5. Construction of Gathugu tank through assistance from County Government of Nyeri,
- 6. Disilting and expansion of Ragati Intake Weir
- 7. Capacity building of staff on key and challenging issues such as culture change, customer care, staff motivation and result based management.

### **Current Challenges**

Notwithstanding our stated achievements, we have some key challenges to address as we plan for the future of the company. These include:

- 1. Declining levels of Ragati River due to interference of water systems by community projects.
- 2. High Operational Costs due to dilapidated pipelines.
- 3. Low Supply Coverage
- 4. High Number of Inactive connections
- 5. High Non Revenue Water
- 6. Old dilapidated sewerage system and inadequate treatment sewer capacity.
- 7. Lack of treatment facilities for rural water supply
- 8. High maintenance cost of submersible pumps

### STATEMENT OF CORPORATE GOVERNANCE

MAWASCO is committed to operating under a clear governance framework and strongly adheres to sound management and control practices.

MAWASCO is committed to ensuring compliance with the provisions of Water Act 2002 and Service provision agreement granted by Tana Water Services Board among other regulatory and supervisory corporate governance requirements.

In ensuring that corporate governance is enhanced and that the power of MAWASCO is exercised in the stewardship of the company total portfolio of assets and resources with the objective of maintaining stakeholder value, the Boards of Directors have constituted the following committees:

### 1. STAFF & FINANCE AND ADMINISTRATION COMMITTEE

The Staff, Finance & Administration and Technical Committee are the overseer of the financial reporting process and sourcing of funds for Company's capital works.

MAWASCO makes cognizance of the fact that Human resources is one single asset in achieving the goals of the Company. It's the duty of the Finance and Administration Committee to ensure that MAWASCO has the right staff, at the right place and doing the right thing. More so, the Committee will ensure that staff welfare is guaranteed.

### 2. TECHNICAL COMMITTEE

The Committee is the overseer of the technical reporting process.

It shall ensure that there is adequate asset development, maintenance and infrastructure improvement to ensure sustainability of all water infrastructures.

### 3. AUDIT, RISK AND CORPORATE GOVERNANCE COMMITTEE

In order to promote good corporate governance, MAWASCO has constituted an Audit Committee for purposes of

Safeguarding of the assets.

- Scope and effectiveness of the internal controls.
- Review of the Annual financial statements.
- Compliance with all applicable regulatory requirements and accounting standards. Essential to the establishment of a good governance framework are formal governance structures designed to ensure accurate reporting to the Board to facilitate an informed decision making process, assessment and improvement of conformance.
- 1.1 Ethical conduct: As a public service company we have a responsibility to act as a good corporate citizen all around the county. As a company we recognize and perform the obligations we have towards our people, investors, customers, suppliers, competitors and the community as a whole. We believe our reputation, together with the trust and confidence of those with whom we deal, to be one of our most valuable assets. In order to keep this reputation and trust, we demand and maintain the highest ethical standards in carrying out our business activities. All of our employees are required to abide by our ethical policy, which outlines company core values and approach to doing business. The protection of our reputation is of fundamental importance, and employees are aware of the disciplinary implications of breaches of policy. The policy helps to uphold the reputation of our company and staff, and maintains public confidence.
- 1.2 Customers: We strongly believe that integrity in dealings with customers is a prerequisite for a successful and sustained business relationship. We operate a highly effective and efficient organization, focused on meeting customer objectives. Our aim is to provide products and services which give fair value and consistent quality, reliability and safety in return for fair reward. We operate policies of continual improvement, of both processes and the skills of our staff, to take best advantage of advances in technology. This safeguards our operations for the future, ensuring that we continue to add value to our customers' businesses.
- **1.3 Business partners and suppliers:** As with our relationships with our other stakeholders, we aim to develop relationships and improve networking with business partners and suppliers based on mutual trust. We believe one of our major strengths is our approach to alliances and partnerships with suppliers. Many of our new contracts come through these alliances and our partners' contributions help us to deliver the solutions required by our customers and the market.
- **1.4 Environment:** The Company believes that, by their nature, our operations have a minimal impact on the environment. However, we acknowledge that there are inevitable environmental impacts associated with daily operations. We aim to minimize any harmful effects and consider the development and implementation of environmental standards to achieve this to be of great importance. It is anticipated that by adopting simple,

environmentally friendly initiatives, the company will raise awareness amongst stakeholders and the wider community

### CORPORATE SOCIAL RESPONSIBILITY

Mathira water and sanitation company ltd practices corporate social responsibility within its area of jurisdiction. The company in liaison with the office of the assistant chiefs has identified persons living with disabilities.

The company has connected such identified persons with water.

The work involves:-

- 1. Free cost of installation for metered service lines
- 2. Free water consumption
- 3. Free maintenance of such connections

The company also sponsors Mathira education fund which is a kitty meant to benefit less privileged students in the society

The company makes an annual visitation to children home within its area of jurisdiction where it provides social amenities to them. In addition the company provides free tree planting seedlings to local communities to enhance a forestation.

### REPORT OF THE DIRECTORS

The Directors submit their report together with the audited financial statements for the year ended June 30, 2019 which show the state of Mathira Water And Sanitation Company Ltd affairs.

### Principal activities

The principal activity of the Company is to provide water and sanitation services to residents of Mathira East and Mathira West in Nyeri County

### Results

The results of the entity for the year ended June 30, 2019 are set out on page 17

### **Directors**

The members of the Board of Directors who served during the year are shown on page 4-6 In accordance with Regulation of Mathira Water and Sanitation Company Ltd Articles of Association.

### **Auditors**

The Auditor General is responsible for the statutory audit of Mathira Water and Sanitation Company Ltd in accordance with the Public Finance Management (PFM) Act, 2012,

### STATEMENT OF DIRECTORS' RESPONSIBILITIES

Section 81(i) of the Public Finance Management Act, 2012 and public audit Act require the Directors to prepare financial statements in respect of that MAWASCO, which give a true and fair view of the state of affairs of the MAWASCO at the end of the financial year 2018-2019 and the operating results of the MAWASCO for that year 2018-2019. The Directors are also required to ensure that the MAWASCO keeps proper accounting records which disclose with reasonable accuracy the financial position of the MAWASCO. The Directors are also responsible for safeguarding the assets of the company.

The Directors are responsible for the preparation and presentation of the Company's financial statements, which give a true and fair view of the state of affairs of the company for and as at the end of the financial year ended on June 30, 2019. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the company; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the company; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Directors accept responsibility for the company financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgments and estimates, in conformity with International Financial Reporting Standards (IFRS), and in the manner required by the PFM Act and the State Corporations Act. The Directors are of the opinion that the company's financial statements give a true and fair view of the state of company's transactions during the financial year ended June 30, 2019 and of the company's financial position as at that date. The Directors further confirm the completeness of the accounting records maintained for the company, which have been relied upon in the preparation of the company's financial statements as well as the adequacy of the systems of internal financial control.

Nothing has come to the attention of the Directors to indicate that the company will not remain a going concern for at least the next twelve months from the date of this statement.

Approval of the financial statements

Mathira Water and Sanitation Company financial statements were approved by the Board on 30<sup>th</sup> September 2019 and signed on its behalf by:

### REPORT OF THE AUDITOR-GENERAL ON MATHIRA WATER AND SANITATION COMPANY LIMITED FOR THE YEAR ENDED 30 JUNE, 2019

### REPORT ON THE FINANCIAL STATEMENTS

### **Qualified Opinion**

I have audited the accompanying financial statements of Mathira Water and Sanitation Company Limited set out on pages 15 to 40, which comprise the statement of financial position as at 30 June, 2019, and the statement of profit or loss and other comprehensive income, statement of changes in equity, statement of cash flows and the statement of comparison of budget and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of Mathira Water and Sanitation Company Limited as at 30 June, 2019, and of its financial performance and its cash flows for the year then ended, in accordance with International Financial Reporting Standards (IFRS) and comply with the Public Finance Management Act, 2012.

### **Basis for Qualified Opinion**

### 1. Capital Reserves

The statement of financial position reflects capital reserves of Kshs.65,904,745 which includes development grants amounting to Kshs.41,597,900. However, as previously reported, only grants amounting to Kshs.32,673,194 were supported by a listing of the Government of Kenya funded projects undertaken before the inception of the Company, resulting in a variance of Kshs.8,924,706 which had not been explained as at 30 June, 2019.

### 2. Accuracy of the Statement of Comparison of Budget and Actual Amounts

The statement of comparison of budget and actual amounts reflects a total income of Kshs.123,855,942 against a budget of Kshs.131,765,406, resulting to a performance difference of Kshs.7,909,464 which was erroneously shown as Kshs.24,459,811. The

statement further reflects acquisition of assets budget of Kshs.8,580,000 which varies with the approved budget amount of Kshs.2,000,000 by Kshs.6,580,000. In addition, the statement does not present the total expenditure budget performance difference as required by the reporting template.

Consequently, the accuracy of the statement of comparison of budget and actual amounts and compliance with the reporting template could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Mathira Water and Sanitation Company Limited Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

### Other Information

The Directors are responsible for the other information, which comprises the Chairman's Statement, Managing Director's Statement, the Statement of Corporate Governance, Report of the Directors and the Statement of Directors' Responsibilities. The other information does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance or conclusion thereon.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

#### Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

### **Basis for Conclusion**

#### 1. Non-Revenue Water

During the financial year under review, the Company produced a total of 3,822,317 cubic meters of water, out of which only 1,960,087 cubic meters (or about 51%) was billed to

customers, leaving a balance of 1,862,230 (or about 49%) of the total volume of water produced as non-revenue water, which is 24% over and above the allowable loss limit of 25% as provided by the Water Services Regulatory Board Guidelines. The non-revenue water of 49% resulted in a loss of sales estimated at Kshs.122,907,180.

The significant level of non-revenue water has a negative impact on the Company's profitability and its ability to sustain services. No evidence was provided of any efforts by the Company to address the situation.

### 2. Unmetered Water Connections

As disclosed in Note 2 to the financial statements, the income amount of Kshs.123,288,642 reflected in the statement of comprehensive income includes revenue totalling Kshs.115,580,768 from three revenue streams arising from billing of customers. However, the statement of comparison of budget and actual expenditure indicates that in the year under review, the Company had budgeted to receive revenue totalling Kshs.131,765,406 from billing of customers but realized Kshs.115,580,768 or about 88%.

No plausible explanation was provided for the shortfall of Kshs.16,184,638.

Further, analysis of customer records indicates that although the Company had a total of 5,270 connections as at 30 June, 2019, only 739 (or about 14%) were metered, each being charged a flat rate of Kshs.500 per month, irrespective of actual consumption. No explanation was provided for failing to meter all the 5,270 connected customers and charge them according to actual amount of water consumed in order to maximize on revenue.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

### Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

### **Basis for Conclusion**

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether processes and systems of internal control, risk management and governance were operating

effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

### REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

As required by the Kenyan Companies Act, 2015 I report based on the audit, that:

- (i) I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of my audit;
- (ii) In my opinion, proper books of account have been kept by the Company, so far as appears from the examination of those books;
- (iii) The Company's financial statements are in agreement with the accounting records and returns.

### Responsibilities of Management and those Charged with Governance

The directors are responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards and the requirements of the Companies Act, and for maintaining effective internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for assessment of the effectiveness of internal control, risk management and governance.

In preparing the financial statements, the Directors are responsible for assessing the ability of Mathira Water and Sanitation Company Limited to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors are aware of an intention to either liquidate the Company or to cease operations.

The Directors are also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, the Directors are also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Company's financial reporting process, reviewing the effectiveness of how the entity monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

### Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

 Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of Mathira Water and Sanitation Company Limited to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Company to cease as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of Mathira Water and Sanitation Company Limited to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Notes Budgeted Actual a) Income 131,765,406 115,580,768

- i) Decrease revenue due toProjection of grant to rehabilitate karatina urban water supply within the year which was granted near year end
- ii) Migration of customers to irrigation projects expecially uppon disconnection negatively affecting revenue.
- iii) Uncontrolled abstraction of water from ragati river by irrigation projects affecting production at intakes
- iv) High NRW due to illegal connections and interconnections by irrigation projects.
- v) Increased disputes by customers on billing as aresult of insufficient water supply .

a)	Printing and Stationery Increased due to increased prices of cartiridges and other printing materials	Budgeted 480,000	<b>Actual</b> 697,644
b)	Repair and Maintenance of Computers  There has been minimum repair cost in computers maintenance	Budgeted 630,000	Actual 34,484
d)	Maintenance of Pumps and generators	Budgeted 360,000	Actual 223,500

There has been minimum cost on pump repairs after installation of a new sewer pump

e) Repair & Maintenance -Furnitures, Building /Structures Budgeted Actual 900,000 1,702,261

There has been un projected cost on Repair of ihwagi treatment works which was affected by fire

Budgeted Actual f) Water Meters and Fittings 3,600,000 1,152,875 We had last financial year stock balance that was in use in the current financial year. Budgeted Actual g) Chemicals 1,800,000 2,525,800 There was increased usage of chemical due to increased turbidity due to heavy rains Budgeted Actual h) NRW Management Projects 87,819,851 9,837,513 The amount relates to OBA project in which the whole amount had not been disbursed during year end **Budgeted** Actual Pipework Extension 7,200,000 2,151,250 The company had been extending pipework by using pipes bought in the previous financial year Budgeted Actual i) GIS & survey Works 1,200,000 524,200 The company had been financed under the OBA project Budgeted Actual k) Board administration /lease fee 6,858,887 0 The board fee had been removed under the water new act 2016 Budgeted Actual Bank Charges and commissions 1,480,000 117,121 The bank charges was budgeted on assumption that OBA project was to be funded during the year fully. Budgeted Actual m) Motor vehicles 1,000,000 0 The company had budgeted for new vehicle which was not bought due to financial constraints Budgeted Actual n) Motor Cycles 1,000,000 0 The company had budgeted for purchase of new fleet of motor cycles which were not bought due to financial constraints o) Office Furniture Budgeted Actual

The company had budgeted for purchase of New furnitures which were not bough

900,000

### NOTES TO THE FINANCIAL STATEMENTS SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

### 1. Statement of compliance and basis of preparation

The financial statements have been prepared on a historical cost basis except for the measurement at re-valued amounts of certain items of property, plant and equipment, marketable securities and financial instruments at fair value, impaired assets at their estimated recoverable amounts and actuarially determined liabilities at their present value. The preparation of financial statements in conformity with International Financial Reporting Standards (IFRS) allows the use of estimates and assumptions. It also requires management to exercise judgment in the process of applying Mawasco accounting policies.

The financial statements have been prepared and presented in Kenya Shillings, which is the functional and reporting currency of Mawasco and all values are rounded to the nearest thousand (Kshs'000).

The financial statements have been prepared in accordance with the PFM Act, the State Corporations Act, and International Financial Reporting Standards (IFRS). The accounting policies adopted have been consistently applied to all the years presented.

### 2. Revenue recognition

Revenue is recognized to the extent that it is probable that future economic benefits will flow to Mawasco and the revenue can be reliably measured. Revenue is recognized at the fair value of consideration received or expected to be received in the ordinary course of Mawasco activities, and when specific criteria have been met for each of Mawasco activities as described below.

- Revenue from the sale of goods and services is recognized in the year in which Mawasco delivers products to the customer, the customer has accepted the products and collectability of the related receivables is reasonably assured.
- ii) Grants from National Government are recognized in the year in which Mawasco actually receives such grants.
- iii) **Finance income** comprises interest receivable from bank deposits and investment in securities, and is recognized in profit or loss on a time proportion basis using the effective interest rate method.

### iv) Other income

Is recognized as it accrues.

In-kind contributions are donations that are made to Mawasco in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, Mawasco includes such value in the statement of comprehensive income both as revenue and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

### 3. Property, plant and equipment

All categories of property, plant and equipment are initially recorded at cost less accumulated depreciation and impairment losses.

Certain categories of property, plant and equipment are subsequently carried at re-valued amounts, being their fair value at the date of re-valuation less any subsequent accumulated depreciation and impairment losses. Where remeasurement at re-valued amounts is desired, all items in an asset category are re-valued through periodic valuations carried out by independent external valuers.

Increases in the carrying amounts of assets arising from re-evaluation are credited to other comprehensive income. Decreases that offset previous increases in the carrying amount of the same asset are charged against the revaluation reserve account; all other decreases are charged to profit or loss in the income statement.

Gains and losses on disposal of items of property, plant and equipment are determined by comparing the proceeds from the disposal with the net carrying amount of the items, and are recognized in profit or loss in the income statement.

### 4. Depreciation and impairment of property, plant and equipment

Freehold land and capital work in progress are not depreciated. Capital work in progress relates mainly to the costs of ongoing but incomplete works on buildings and other civil works and installations.

Depreciation on property, plant and equipment is recognized in the income statement on a **reducing balance basis** to write down the cost of each asset or the re-valued amount to its residual value over its estimated useful life. The annual rates in use are:

### a) The annual rates of the depreciation used are as follows:-

100	Motor Vehicles and Motor bikes	25%
6	Buildings	2.5%
	Computer Equipment	30%
m	Furniture, Fixtures, Fittings and Office Equipments	12.5%
自	Plant, Equipments and Meters	33.3%
	Computer soft ware	20%

A full year's depreciation charge is recognized both in the year of asset purchase and in the year of asset disposal.

Items of property, plant and equipment are reviewed annually for impairment. Where the carrying amount of an asset is assessed as greater than its estimated recoverable amount, an impairment loss is recognized so that the asset is written down immediately to its estimated recoverable amount.

### 5. Intangible assets

Intangible assets comprise purchased computer software licenses, which are capitalized on the basis of costs incurred to acquire and bring to use the specific software. These costs are amortized over the estimated useful life of the intangible assets from the year that they are available for use, usually over three years.

### 6. Amortization and impairment of intangible assets

Amortization is calculated on the reducing line basis over the estimated useful life of computer software of three years.

All computer software is reviewed annually for impairment. Where the carrying amount of an intangible asset is assessed as greater than its estimated recoverable amount, an impairment loss is recognized so that the asset is written down immediately to its estimated recoverable amount.

### 7. Investment property

Buildings, or part of a building (freehold or held under a finance lease) and land (freehold or held under an operating lease) held for long term rental yields and/or capital appreciation, and which are not occupied by the *entity*, are classified as investment property under non-current assets and depreciation is carried out on reducing balance.

Investment property is carried at fair value, representing open market value determined periodically by independent external values. Changes in fair values are included in profit or loss in the income statement.

### 8. Finance and operating leases

Leases which confer substantially all the risks and rewards of ownership to Mawasco are classified as finance leases. Upon initial recognition, the leased asset is measured at an amount equal to the lower of its fair value and the present value of the minimum lease payments, and the asset is subsequently accounted for in accordance with the accounting policy applicable to that asset.

All other leases are treated as operating leases and the leased assets are recognized in the statement of financial position to the extent of prepaid lease rentals at the end of the year. Payments made under operating leases are recognized in profit or loss on a reducing line basis over the term of the lease. Lease incentives received are recognized as an integral part of the total lease expense over the term of the lease.

### 9. Inventories

Inventories are stated at the lower of cost and net realizable value. The cost of inventories comprises purchase price, import duties, transportation and handing charges, and is determined on the moving average price method.

### 10. Trade and other receivables

Trade and other receivables are recognized at fair values less allowances for any uncollectible amounts. These are assessed for impairment on a continuing basis. An estimate is made of doubtful receivables based on a review of all outstanding amounts at the year end. Bad debts are written off after all efforts at recovery have been exhausted a 5% General Provision on receivables shall be provided

#### 11. Taxation

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the tax authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantially enacted as at the reporting date. Current income tax relating to items recognized directly in equity is recognized in equity and not in the income statement.

Deferred income tax is provided using the liability method on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

#### 12. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprest and advances to authorized public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

j) Cash and Bank balances	2018-2019	2017-2018
Cash at bank Cash in hand	38,712,328 93,490	22,931,190 61,890
	38,805,818	22,993,080

#### 13. Borrowings

Interest bearing loans and overdrafts are initially recorded at fair value being received, net of issue costs associated with the borrowing. Subsequently, these are measured at amortized cost using the effective interest rate method. Amortized cost is calculated by taking into account any issue cost and any discount or premium on settlement. Finance charges, including premiums payable of settlement or redemption are accounted for on accrual basis and are added to the carrying amount of the instrument to the extent that they are not settled in the period in which they arise. Loan interest accruing during the construction of a project is capitalized as part of the cost of the project.

#### 14. Trade and other payables

Trade and other payables are non-interest bearing and are carried at amortized cost, which is measured at the fair value of contractual value of the consideration to be paid in future in respect of goods and services supplied, whether billed to Mawasco or not, less any payments made to the suppliers.

#### 15. Retirement benefit obligations

Mawasco operates a defined contribution scheme for all Permanent employees from. The scheme is administered by registered pension scheme and funded by contributions from both the company and its employees. The company also contributes to the statutory National Social Security Fund (NSSF). This is a defined contribution scheme registered under the National Social Security Act. The company's obligation under the scheme is limited to specific contributions legislated from time to time and is 15% employer and 12 % employee of pensionable pay.

#### 16. Provision for staff leave pay

Employees' entitlements to annual leave are recognized as they accrue at the employees. At provision is made for the estimated liability for annual leave at the reporting date.

#### SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### 17. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

#### 18. Subsequent events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30<sup>th</sup> June 2019.

#### 19 Contingent liabilities

There is no any contingent liability either inform of Bank guarantees or legal claim expected.

#### 20 Related party disclosure

#### (a) County Government of Nyeri

The county government of Nyeri owns substantial shareholdings in the company hence help in making company policies it also owns number of water connections.

#### (b) Tana Water Services Board

(TWSB) Act as the regulator and is paid administration fee by the company for usage of assets. The company owed Kshs. 29,110,607 at year end to the board.

#### 21 Budget information

Budget is prepared on accrual basis of all income and expenditures expected during the year any material variance is explained.

#### 22 Application of new and revised International Financial Reporting Standards (IFRSs)

Relevant new standards and amendments to published standards effective for the year ended 30 June 2019. The following new and revised IFRSs were effective in the current year and had no material impact on the amounts reported in these financial statements.

Financial Liabilities

Amendments to IAS The amendments to IAS 32 clarify the requirements Offsetting relating to the offset of financial assets and financial Financial Assets and liabilities. Specifically, the amendments clarify the meaning of 'currently has a legally enforceable right of set-off' and 'simultaneous realisation and settlement'. The amendments require retrospective application. application of the new standard has not had any impact on the disclosures or the amounts recognized in these financial statements as the Group does not have any offsetting arrangements

36 Recoverable Amount Disclosures for Non-Financial Assets

Amendments to IAS The amendments to IAS 36 remove the requirement to disclose the recoverable amount of a cash-generating unit (CGU) to which goodwill or other intangible assets with indefinite useful lives had been allocated when there has been no impairment or reversal of impairment of the related CGU. Furthermore, the amendments introduce additional disclosure requirements applicable to when the recoverable amount of an asset or a CGU is measured at fair value less costs of disposal. These new disclosures include the fair value hierarchy, key assumptions and valuation techniques used which are in line with the disclosure required by IFRS 13 Fair Value Measurements. The amendments require retrospective application The application of the new standard has not had any

impact on the disclosures or the amounts recognized in these financial statements as the Group does not have any goodwill or other intangible assets with indefinite useful lives

Amendments to IAS 39 Novation of Derivatives and Continuation of Hedge Accounting The amendments to IAS 39 provide relief from the requirement to discontinue hedge accounting when a derivative designated as a hedging instrument is novated under certain circumstances. The amendments also clarify that any change to the fair value of the derivative designated as a hedging instrument arising from the Novation should be included in the assessment and measurement of hedge effectiveness. The amendments require retrospective application.

The application of the new standard has not had any impact on the disclosures or the amounts recognized in these financial statements as the Group does not have any derivatives.

Amendments to IFRS 10, IFRS 12 and IAS 27 Investment Entities The amendments to IFRS 10 define an investment entity and introduce an exception from the requirement to consolidate subsidiaries for an investment entity. In terms of the exception, an investment entity is required to measure its interests in subsidiaries at fair value through profit or loss. The exception does not apply to subsidiaries of investment entities that provide services that relate to the investment Mawasco investment activities.

To qualify as an investment entity, certain criteria have to be met. Specifically, an entity is an investment entity when it:

- obtains funds from one or more investors for the purpose of providing them with investment management services;
- commits to its investor(s) that its business purpose is to invest funds solely for returns from capital appreciation, investment income, or both; and
- measures and evaluates performance of substantially all of its investments on a fair value basis.

Consequential amendments to IFRS 12 and IAS 27 have been made to introduce new disclosure requirements for investment entities. The application of the new standard has resulted in more extensive disclosures in the consolidated financial statements.

IFRIC 21 Levies

IFRIC 21 addresses the issue of when to recognise a liability to pay a levy. The Interpretation defines a levy, and specifies that the obligating event that gives rise to the liability is the activity that triggers the payment of the levy, as identified by legislation. The Interpretation provides guidance on how different levy arrangements should be accounted for, in particular, it clarifies that neither economic compulsion nor the going concern basis of financial statements preparation implies that an entity has a present obligation to pay a levy that will be triggered by operating in a future period. IFRIC 21 requires retrospective application.

The application of the new standard has not had any impact on the disclosures or the amounts recognized in these financial statements as the Group did not have any levies accounted for as a liability

(ii) New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2018

New and Amendments to standards	effective for annual periods beginning on or after
IFRS 9	1 January 2018
IFRS 14	1 January 2017
IFRS 15	1 January 2017
Amendments to IAS 16 and IAS 38	1 January 2017
Amendments to IFRS 11	1 January 2017

The directors of the company do not anticipate that the application of the standard will have a significant impact on the company's financial statements

(iii) Early adoption of standards

The company adopted new standards in 2016.

#### FINANCIAL RISKS

Credit or Default Risk - is the risk that a company or individual will be unable to pay the contractual interest or principal on its debt obligations. Customers might default payment of water consumed and the company could fail to pay its loan obligation i.e. principal and interest.

**Interest Rate Risk** - is the risk that an investment's value will change as a result of a change in interest rates this will affect the company borrowing powers.

**Political Risk** - represents the financial risk that the company could be affected by country's government suddenly change its policies

Market Risk - This is the volatility, of market prices due to entrant of new players in the market i.e. community projects.

#### 18: PROGRESS ON FOLLOW UP OF AUDITOR RECOMMENDATIONS

The following is the summary of issues raised by the external auditor, and management comments that were provided to the auditor. We have nominated focal persons to resolve the various issues as shown below with the associated time frame within which we expect the issues to be resolved.

Reference No. on the external audit Report	Issue / Observations from Auditor	Management comments	Focal Point person to resolve the issue (Name and designation)	Status: (Resolved / Not Resolved)	Timeframe: (Put a date when you expect the issue to be resolved)
1	Long Term Liabilities Ksh 2million county Government of Nyeri Loan	The amount has been written off through set off against receivables from County Government of Nyeri. This is as was resolved by County's Executive Committee meeting held on 27th January 2020. Consequently; the financial statements have been amended accordingly.	N/A	Resolved	N/A
2	Capital Reserves	Variance has been supported.	N/A	Resolved	N/A
3	Non-Revenue Water (NRW) 51.4%	The main cause of high NRW in the company has been due to the old dilapidated supply network that was inherited at the inception and rampant water theft by consumers especially in the rural scheme through illegal connections and meter by-passes.  To mitigate these, a dedicated NRW team and who have been specially trained. Some of the achievements of the team in the recent past include; Creation of District Metering Areas (DMAs), installation of check meters in all high-rise buildings and rehabilitation of lines with massive irregularities.  Rehabilitation of Karatina Urban Water Supply network with the support from World Bank under Out Based Aid (OBA) program at a cost of Kshs. 108M is expected to reduce the NRW levels to below 25% in the Scheme ( and to below 40% overall)	James Githige Technical Manager	Not resolved	30/06/2023

#### 19: PROJECTS IMPLEMENTED BY THE ENTITY

Projects

Projects implemented by the State Corporation/ SAGA Funded by development partners

Project title	Project Number	Donor	Period/ duration	Donor commitment	Separate donor reporting required as per the donor agreement (Yes/No)	Consolidated in these financial statements (Yes/No)
1 Karatina Urban Rehabilitation	1	Wstf /World Bank	18 Months	60% subsidy of total cost	YES	YES

#### Status of Projects completion

	Project	Total project Cost	Total expended to date	Completion % to date	Budget	Actual	Sources of funds
1	Karatina Urban Rehabilitation	Ksh 108,957,510	Ksh 7,317,991	6.72%	Ksh 108,957,510	Ksh 7,317,991	Wstf /World Bank
