GAZETTE NOTICE NO. 3552

THE WATER ACT

(No. 43 of 2016)

NYAHURURU WATER AND SANITATION COMPANY LIMITED

APPROVED TARIFF STRUCTURE FOR THE PERIOD 2024/2025 To 2028/2029

THE Water Services Regulatory Board (WASREB), under powers granted by section 72 (1) (b) and (2) of the Water Act, 2016, has approved the regular tariff adjustment for the area served by Nyahururu Water and Sanitation Company (NYAHUWASCO).

NYAHUWASCO applied to the Water Services Regulatory Board (WASREB) for a review of water services tariffs for the period 2024/2025 to 2028/2029 in line with 72 (1) (b) of the Act. Public consultation on the NYAHUWASCO application was carried out by the requirements of section 139 of the Water Act, 2016.

Having considered the application, the written and oral submissions by all stakeholders and the current data, WASREB has determined that an upward tariff review is justified for NYAHUWASCO to improve service delivery, operate sustainably and protect consumer interests by meeting the tariff conditions attached to the tariff.

WASREB gives a one-month notice from the date of this communication to all existing and potential customers of NYAHUWASCO that the structure of approved tariffs for water services for the four financial years 2024/2025, 2025/2026, 2026/2027, 2027/2028, and 2028/2029 shall be as follows:

GAZETTE NOTICE NO. 3553

THE WATER ACT

(No. 43 of 2016)

NAIVASHA WATER AND SANITATION COMPANY

APPROVED TARIFF STRUCTURE FOR THE PERIOD 2024/2025 TO 2028/2029

THE Water Services Regulatory Board (WASREB), under powers granted by section 72 (1) (b) and (2) of the Water Act, 2016, has approved the regular tariff adjustment for the area served by Naivasha Water and Sanitation Company (NAIVAWASCO).

NAIVAWASCO applied to the Water Services Regulatory Board (WASREB) for a review of water services tariffs for the period 2024/2025 to 2028/2029 in line with 72 (1) (b) of the Act. Public consultation on the NAIVAWASCO application was carried out by the requirements of section 139 of the Water Act, 2016.

Having considered the application, the written and oral submissions by all stakeholders and the current data, WASREB has determined that an upward tariff review is justified for NAIVAWASCO to improve service delivery, operate sustainably and protect consumer interests by meeting the tariff conditions attached to the tariff.

WASREB gives a one-month notice from the date of this communication to all existing and potential customers of NAIVAWASCO that the structure of approved tariffs for water services for the four financial years 2024/2025, 2025/2026, 2026/2027, 2027/2028, and 2028/2029 shall be as follows:

PUBLIC NOTICE

DECLARATION OF NAIROBI RIVER CORRIDOR AS A SPECIAL PLANNING AREA

FOLLOWING a request by the Ministry of Lands, Public Works, Housing and Urban Development proposing to declare the Nairobi River Corridor as a Special Planning Area, and in exercise of the powers conferred by sections 52 and 53 of the Physical and Land Use Planning Act, 2019, the County Executive Committee Member, Built Environment and Urban Planning intends to declare the Nairobi River Corridor as a Special Planning Area. The Corridor spans the area along Nairobi River from Naivasha Road to Ruai, including the River tributaries. The corridor covers a spatial area extending 60m beyond the high water mark on each side of the River (30m Riparian corridor and an additional 30m Development area).

This declaration will enable preparation of a Local Physical Development and Land use plan. The plan will provide a framework for river regeneration, flood-hazard mitigation, riparian-land-use and re-development of the land, including infrastructure development and construction of Social and Affordable housing and associated social and physical infrastructure. It will also encompass a financing structure for the development of the Special Planning Area.

This multi-sectoral planning process will be undertaken by Nairobi City County Government in collaboration with the Ministry of Lands, Public Works, Housing and Urban Development, Nairobi Rivers Commission, National Environmental Management Authority and other relevant stakeholders.

A map detailing the designated area will be physically available at the office of the Chief Officer, Urban Planning and Development, 2nd Floor, City Hall Annex. The same will also be displayed at the precincts of the Nairobi City County Government offices at City Hall, all Ward Administration offices within the targeted Sub-Counties as well as the Nairobi City County official website.

We invite members of public to submit their comments on this proposal in writing within fourteen (14) days through email address: countysecretary@nairobi.go.ke or P.O. Box 30075-00100, Nairobi.

Dated the 6th March, 2025.

PATRICK MBOGO,
MR/6522117 CECM, Built Environment and Urban Planning.
